Advanced AP Publishers

Alhamdulillah! The 100th edition of Advanced PPSC Model Papers is in your hands. I am deeply grateful to Almighty Allah for this milestone. I also extend my heartfelt thanks to my readers for the trust you have placed in my book.

Some candidates have requested that the answers to the questions in the Advanced PPSC Model Papers be given in bold within the question options instead of at the end of the paper. Although this method seems easier, it is not beneficial because it weakens the reader's mind and memory. By providing answers at the end, the reader engages in mental exercise, which enhances their cognitive abilities and memory. We have consulted academicians and various psychologists, and the consensus is that answering questions immediately can be detrimental to the candidates' learning.

I must also caution candidates against counterfeit books. Many books of previous PPSC papers available in the market have copied my work with some unnecessary changes. Some even falsely list the wrong edition number. These tactics deceive candidates and spread misinformation. Therefore, I urge candidates to always purchase original and genuine books to protect their future.

If you find any mistakes in my book, please mark the error and send a screenshot, including the page number, to my WhatsApp number: 03222700004. This will help in making corrections for future editions.

Thank you for your support and understanding!
