102. Artificial Intelligence: Friend of Enemy of Human?	382

## **Preface**

It is with great pleasure that we present the latest edition of *Advanced Contemporary Affairs*, a publication that has been in continuous print for the past 29 years. Over nearly three decades, this book has earned a place of distinction among candidates preparing for competitive examinations. Its reputation for providing reliable, high-quality content has made it a trusted resource in the academic and competitive examination circles.

One of the unique strengths of *Advanced Contemporary Affairs* lies in its commitment to curating articles from prestigious and authentic magazines and periodicals from across the globe. By selecting and presenting well-researched content from these sources, we have aimed to offer readers a balanced, comprehensive view of contemporary affairs that is both insightful and credible.

This year, we have introduced a new format to enhance the book's usability. Our editorial team has meticulously reviewed each original article and developed a summarized, straightforward version, delivering content that is concise and directly relevant to your needs. This new approach aims to provide material that is easy to grasp while covering key points in a simplified manner.

Your feedback on this new format will be invaluable to us. As we continue to refine *Advanced Contemporary Affairs*, we invite you to share your thoughts and suggestions, helping us improve the book in a way that best serves your preparation journey.

Thank you for your continued trust and support.

**Dear Readers!**

**Thousands of candidates call me and enquire how to make preparation for different examinations.**

**For their convenience I have uploaded lectures about best preparation on my YouTube channel.**

**Candidates are advised to watch my channel for guidelines. In my channel go to “Trips & Tricks” section and find lectures.**

**For Lectures of M Imtiaz Shahid watch YouTube Channel “M Imtiaz Shahid Official”
