Preface to the Twenty first Edition

Praise is to Allah Almighty and thanks to all the readers who have appreciated our commitment to the quality and validity of *Essays for All*. By the grace of Allah the twentieth edition of the book has been brought out upon the utmost and hasty demand of the readers who stand to be a valuable yardstick for the appropriateness and usefulness of this book.

The eleventh edition has further been modified and so many new essays have been added, covering almost most of the current issues as well as the expected topics. We are grateful to our readers who have written us letters of appreciation, giving us further stimulus to meet their entire satisfaction. We are hopeful for ensuring and enhancing their trust upon us. We also appreciate their worth suggestions for making this book more to-the-point and directive.

It is honour for us that this edition is being published by *Advanced Publishers*. We hope that our readers will keep their cooperation with the same spirit and zeal.

Preface to the First Edition

This comprehensive book, *Essays for All* has particularly been prepared for all the high level examinations in Pakistan. The book has been divided into various sections, giving an easy and consistent coverage of all such topics which are normally asked by examiners.

Besides the impressive material and inspiring thoughts, a very keen attempt has been made to introduce a potentate and distinctive style of the language.

Some of the essays comprise an analytical and logical argumentation on most modern, conflicting and challenging aspects in different fields of life.

The diversity of the outline will assist the students to follow the essays in a step-by-step progressive order. It also aims at giving an all round awareness to the students regarding all the areas and the aspects to be covered.

What makes *Essays for All*, distinctive is the fact that an uncompromising concentration has been given to the qualitative aspects of the essays. The material has been selected and edited with utmost care and honest meditation. It has been written by the specialist with high academic qualifications in their fields.

It is strongly hoped that the work will prove to be a good stepping stone to enable the students to think and write freely. Valuable suggestions and feedback from the readers will be appreciated and solicited.
